

Moms, Grandmoms, Aunts, Sisters, Daughters,  
Wonderful Women All:

Do you need an escape? An adventure? A new hobby? A  
new recipe? A romance? A few laughs? We have all that  
and more in our books!

Fill in the ADULT form in our **Just Right Book Box**  
section at [childrensbookworld.net](http://childrensbookworld.net) and let us create a list  
of books just for you.

Share the link we send you with someone who wants to  
buy you a gift – or choose something for yourself. You  
deserve it!

Take a look through our special interest lists on  
**Bookshop.org**, too. We're making some new ones with  
you in mind.

Maybe you'll get Just the Right Gift this Mother's Day!
